The City of Sheboygan has hired Gallagher Asphalt to perform asphalt maintenance on several roads in Sheboygan in the coming weeks.

Parking will not be allowed on the roads during the projects. Residents will have access to their driveways, except when the paving operation is in front of their residence or business and during the road-sealing process.

Roads being closed the week of Aug. 10 include Michigan Avenue from North Eighth Street to North Fourth Street, North Eighth Street from Michigan Avenue to Highland Terrance, and North Avenue from North 10th Street to North Sixth Street.

Closed Aug. 15 will be Union Avenue from South Business Drive to Sauk Trail Road.

Roads being closed the week of Aug. 17 will be South 15th Street from New Jersey Avenue to Pennsylvania Avenue and the Taylor Heights frontage roads.

The dates are weather dependent.
